Solo – I can't wait to see Harrison. It's been a whole year since we met. We had such an amazing time last year!

Solo – Every time I come to camp I get poison ivy!

Solo – Are we there yet?

Solo (Marcus) – I hope we can find a big fat frog and put it in our counselor's sleeping bag!

Mrs. Nelson – Marcus... sit down! We won't have talk like that on this bus!

Here we go, here we go to Camp Wallaballa
We're gonna have a ball at Camp Wallaballa
There's something for us all at Camp Wallaballa
Swimming, boating, hiking and lots of friends to meet.

Bus Breakdown Blues

I really can't believe it, we're stuck out in the wild.
I wish that I could call home but there's no phone to dial
It's almost time for dinner, I think that I might starve!
And all we have to do is sit and watch for some dumb car!

I've got the bus breakdown blues
Got it clear down to my shoes
It's the worst kind of news
I've got the bus breakdown blues

I've got the bus breakdown blues
Got it clear down to my shoes
It's the worst kind of news
I've got the bus breakdown blues

We were riding along, singin' a song
When all of a sudden everything went wrong.

I've got the bus breakdown blues
Got it clear down to my shoes
It's the worst kind of news
I've got the bus breakdown blues

We were well on our way, praisin' the day
We really though that everything was okay!

Solo – I can't believe we're stuck out in the wilderness like this!
Solo – What are we going to do?
Solo – Are we there yet?
Solo – I'm hungry.
Solo – I'm hot.
Solo – I want to go home.

One day we'll tell our children
All about how we survived
'Cause somehow I've got confidence
We're gonna get out of this alive! Whew!

I've got the bus breakdown blues
Got it clear down to my shoes
It's the worst kind of news
I've got the bus breakdown blues
I've got the bus breakdown blues
I've got the bus breakdown blues

Fear Not

Fear not for I am with you;
Be not afraid, be not afraid.
Fear not for I am with you:
When you pass through the waters,
Through the rivers or the fire,
Fear not I am with you my child
Fear not I am with you my child

Fear not I have redeemed you;
Called you by name, you are my child.
I'm the Lord God your Savior:
You are precious in my sight;
My love and my delight.
Fear not I am with you my child
Fear not I am with you my child

Even when the road is dark and you think you're all alone.
Even when you make mistakes and your confidence is gone.
Remember I am faithful my promises are true.
You can handle any problem with grace to see you through.

Fear not for I am with you;
Be not afraid, be not afraid.
Fear not for I am with you:
When you pass through the waters,
Through the rivers or the fire,
Fear not I am with you my child
Fear not I am with you my child

Fear not I have redeemed you;
Called you by name, you are my child.
I'm the Lord God your Savior:
You are precious in my sight;
My love and my delight.
Fear not I am with you my child
Fear not I am with you my child

Fear not, Fear not!

Fear not, Fear not!

Fear not I am with you my child.

I am with you my child.

God of Impossible
You're creator of earth and sky
Giving all the breath of life

Throughout creation Your power is displayed

You're provider for Your people
You sustain them when they are feeble
Throughout the ages Your power is displayed

You are able to move the mountain
You are able to calm the storm
In wisdom and truth you are faithful to do
more than I imagine
You are all powerful
The God of impossible
You are able.

You're my Savior sent to redeem;
Bled and died to make me clean
And on the cross Your power was displayed

You're alive, the grave is empty;
On the third day You rose in victory
In resurrection Your power was displayed

You are able to move the mountain
You are able to calm the storm
In wisdom and truth you are faithful to do
more than I imagine
You are all powerful
The God of impossible
You are able.

Your power is within me Lord
I offer my life to You
All things are possible, I give my all for You.

You are able to move the mountain
You are able to calm the storm
In wisdom and truth you are faithful to do
more than I imagine

Standing on the Promises

Standing, standing,
Standing on the promises of God my Savior;

Standing, standing,
I'm standing on the promises of God.

Standing on the promises of Christ my King,
Through eternal ages let His praises ring,
Glory in the highest, I will shout and sing,
Standing on the promises of God.

Standing, standing,
Standing on the promises of God my Savior;
Standing, standing,
I'm standing on the promises of God.

Standing, standing,
I'm standing on the promises of God.
Standing, standing,
I'm standing on the promises of God.

Standing on the promises I shall not fall,
List'ning every moment to the Spirit's call.
Resting in my Savior as my All in all,
Standing on the promises of God.

Standing, standing,
Standing on the promises of God my Savior;
Standing, standing,
I'm standing on the promises of God.

Standing, standing,
Standing on the promises of God my Savior;
Standing, standing,
I'm standing on the promises of God.

Standing, standing,
I'm standing on the promises of God.
Standing, standing,
I'm standing on the promises of God.
Standing, standing,
I'm standing on the promises of God.
Standing, standing,
I'm standing on the promises of God.

Promises by Maverick City Music

God of Abraham
You're the God of covenant
And of faithful promises

Time and time again
You have proven
You'll do just what You said

Though the storms may come
and the winds may blow
I'll remain steadfast
And let my heart learn,
When You speak a word
It will come to pass

Great is Your faithfulness to me
Great is Your faithfulness to me

God from age to age
Though the earth may pass away
Your word remains the same
Your history can prove
There's nothing You can't do
You're faithful and true
Though the storms may come
and the winds may blow
I'll remain steadfast
And let my heart learn, when
You speak a word
It will come to pass

Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name
Great is Your faithfulness to me

I put my faith in Jesus
My anchor to the ground
My hope and firm foundation
He'll never let me down
I put my faith in Jesus
My anchor to the ground
My hope and firm foundation
He'll never let me down
He'll never let me down
I'll still bless You
In the middle of my storm
In the middle of my trial
I'll still bless You
When I'm in the middle of the road
And I don't know which way to go
I'll still bless You
I've got a reason to bless
You've been faithful
I'll still bless You
I will bless Your name
I will bless Your name

Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name
Great is Your faithfulness to me
